UDOT continues planning for reconstruction of 12th St. **Property and business owners invited to attend meetings to receive project update**

The Utah Department of Transportation (UDOT) is continuing the planning and design process for reconstruction of 12th St. and is inviting property owners and business operators along the project corridor to learn about current status of the project by attending the upcoming informational meeting on Wednesday, November 28th, 2007. The single meeting will be held from 5:00 p.m. to 6:30 p.m. at the UDOT Region I Office; 166 Southwell St. in Ogden.

The meeting will include an updated on the status of the project, description of currently-planned improvements, anticipated schedule for planning, design and construction, discussion of construction options and opportunity for questions and answers regarding the project. This meeting will also include time to discuss construction options and identify specific property access needs during construction. Attendees will also be invited to join the project mailing list and learn about future opportunities for project updates. Project team members from UDOT and the consultant design team will be on hand to present information and address issues from attendees.

Current plans for UDOT's reconstruction of 12th St. from I-15 to Wall Ave. include sub-grade reconstruction and resurfacing with concrete, new curbs and gutters, drainage improvements and new 7 ft. wide sidewalks on both sides of 12th St. Other improvements to the 12th St. corridor are also planned in conjunction with UDOT's project and will be explained further at the meeting. The City of Marriott-Slaterville and City of Ogden will make limited improvements to water and sewer lines in the project area. The Utah Transit Authority will add a new set of railroad tracks just east of the existing railroad tracks to support the new rail transit system. And the United Pacific Railroad will improve the existing track crossing and add safety medians on 12th St. at 1200 West and at the railroad crossing near A St. The 12th St. Reconstruction Project is scheduled to begin in the spring of 2008.

For more information on the 12th St. Reconstruction Project, please contact UDOT Public Involvement Coordinator, Andy Neff at (801) 620-1641, or consult the project web page, which is located at www.udot.utah.gov/go/12thstreet
